Take a look at what our readers have to say:

Just a quick email to thank you for your very useful publication. I am an Aussie grandma who comes to England almost every summer to spend time with the Worlds Best Granddaughter aged nearly 6. Both last year and this I scoured your magazine and found some brilliant places to take her. We have baked rainbow cookies and had a Teddy Bear Picnic and had butterflies land on our finger at a local garden centre. The butterflies were exceedingly friendly as were all the staff there. She spent a day at an Activity camp when Grandma needed to go into London on business and last year we visited a National Trust Park, plus we went to the Circus and Ice Skating. We also used your excellent magazine to check out local theatre. Thank you for such a useful publication and congratulations on a job well done. Sandi Butler
