What our customers say...

'Clare and Ali are incredibly friendly and approachable and have worked with me to help get the most from my marketing budget and goals. Their easily to follow guides and reminders have been a huge help through my busy schedule as a working mum and they enable me to put forward new ideas and suggestions with enthusiasm. The circulation of the magazine has helped to generate brand awareness in my area and enrolments into my school, the final copy is always a welcome read and I am delighted when our own students come and show me the magazine in class and other fun content'

Charlotte Young : Principal – Razzamataz West Cumbria

"We've already had people signing up after seeing the plug you gave us in the last magazine . I've always really valued going in PT. At my last job we could see tickets sales clocking up for some shows coinciding with the latest edition landing in parents' laps. "

Paul Duncan: Marketing and Communications Officer at CancerCare North Lancashire and South Cumbria
