

Calling all inventors!

Aquafresh is proud to launch its Inventors Academy competition, giving schools the opportunity to win £1,000 worth of equipment and a class sleepover at the Science Museum! The campaign encourages teachers to focus on the importance of oral health for kids, whilst keeping them engaged with a fun invention competition.

Simply tear out this template, let your child get creative and upload to www.AquafreshInventorsAcademy.com for the chance to win!

Open to
7-11
year olds

Now's your chance to draw the ultimate gadget, gizmo or design that will mean you look forward to brushing, every time.

Use a
black pen

Draw
BIG

Add colours
and labels

MY INVENTION

Let's get creative, get involved and get inventing on how to make brush time fun!

EXPLAIN YOUR INVENTION

What is it? How does it work?
Who is it for?

First name:

Age:

My invention is called:
